*A Quality Assurance Programme
by Intertek providing food safety and control*

Your Preferred Partner

Intertek is a leading provider of quality and safety solutions serving a wide range of industries around the world. From auditing and inspection, to testing, quality assurance and certification, Intertek people are dedicated to adding value to customers' products and processes, supporting their success in the global marketplace.

Intertek Vietnam

Established in 1998, Intertek Vietnam provides important testing, inspection and certifications to both domestic and international clients. Today we have 8 laboratories and offices serving different areas of businesses. The seafood lab, a NAFIQAD approved laboratory, is located in Can Tho City, and we have an Agriculture Lab in Ho Chi Minh City. Both facilities are accredited to ISO 17025 Standards. In addition, we have 2 other facilities catering for Petroleum and Toys & Textiles related services.
